

Benefits of a Wild at Heart Class Membership:

1. Reproducible Fact Sheets

- Tips for Preventing Human-Wildlife Conflicts and Problems
- Top 5 Reasons Not to Feed Wildlife
- I Found a Baby Bird... Now What?
- I Found a Baby Mammal... Now What?
- Various species fact sheets

2. Newsletter

- Produced seasonally by Wild at Heart volunteers
- Wild at Heart general news, events, fundraisers, education, photos, and more

3. Certificate of Membership

- Certificate to display in your classroom

4. Membership Cards

- Each student will be provided with a Wild at Heart Membership Card

5. Fundraising Ideas

- Students can help Wild at Heart through fundraising initiatives

6. Wild at Heart 2009-2010 Wish List

- Items that are needed this year at our wildlife centre in Lively
- Can be a guide for your students if they are interested in collecting supplies

7. Curriculum-Linked Activity

- Wild at Heart will send you an age/grade-specific lesson plan that you can deliver to your students
- Lessons link to the Science & Technology Curriculum with some expectations covered in other subject areas as well

8. (Optional) Wild at Heart Classroom Presentation

- If your students would like to fundraise and/or collect supplies and donations for Wild at Heart, we will come to your class as a "thank you" for your efforts and give a presentation to your students

Contact Wild at Heart today to sign up your class! (705) 692-4478 or
