

Wild at Heart Wildlife Refuge Centre

Small Mammal Sponsorship

EXAMPLE

Wild at Heart Congratulates

for Sponsoring a Small Mammal

Your sponsorship allows us to continue treating the many orphaned, injured, and sick wild animals that are admitted to our facility each year. You are helping to support the costs of caring for Raccoons, Squirrels, Skunks, Groundhogs, Snowshoe Hares, Chipmunks, Porcupines, and many others.

Thank you for helping to give our wildlife a second chance at wild life.
